

Kent Hospital Auxiliary Membership Application

455 Toll Gate Road • Warwick, RI 02886

About Us: The Kent Hospital Auxiliary's long tradition of service began in 1951, and as an essential part of the health care team it is built on a tradition of caring, commitment and financial support.

Our Mission: The Auxiliary's mission is to promote and to advance the welfare of Kent Hospital, based in Kent County and ranked as the second largest hospital in Rhode Island. The Auxiliary accomplishes its mission of service to the Hospital and its patients through community fundraising efforts.

Our Motto: The Kent Hospital Auxiliary lives by the motto of "*benefiting every patient, every day.*"

Opportunities:

- Meet other people with similar interests.
- Attend three business luncheon meetings each year (*February, May, October*) and learn about new hospital services and programs.
- Participate in special projects.
- Leadership opportunities.
- Assist in various fundraising events, such as our annual golf tournament.
- Receive a copy of *Hi-Lites*, a newsletter published for the members of the Auxiliary.

Achievements: The Auxiliary has contributed more than \$7 million to Kent Hospital since its inception in 1951. Our fundraising dollars are generated from the Hospitality Shop – the gift shop that is run by the Auxiliary and staffed mainly by volunteers; the Auxiliary's annual golf tournament; and many special events including galas run by the hospital's foundation.

The Auxiliary has provided significant funds for the building and renovation of major hospital projects, including:

- Ambulatory Services Pavilion.
- Infusion Center.
- Women's Diagnostic Imaging Center.
- Sleep Lab.
- Emergency Department.
- Catheterization Lab.
- Dialysis Unit.
- Main Entrance and Information Desk.

In addition, the Auxiliary has provided funding to purchase equipment, such as:

- Hospital beds.
- AED devices.
- Diagnostic imaging equipment.
- Surgical services equipment.
- Patient monitors.
- Patient transport vehicles.
- Medical textbooks.
- Pyxis medication machines.
- Sterilizer for surgical services.
- Treadmill system for cardiology.
- Oxyfirst fetal monitor for women's care center.
- C-Arm for surgical services.
